“ Angeles and Family: Inge and I were stationed in Spain when your Husband & Father was in our Postal Organization. His buddies and coworkers then were Enoch Simpkins, Frank Defino, and Clem King. At last year's Postal reunion We had a chance to reacquaint ourselves with George. At that reunion we Met You Angeles. We want you all to hear from us, that he always had challenges, but at that time the Postal service was the lifeline between the military and their Family & Friends. To achieve the best possible it took the hard work and dedication of your Husband & Father. We want to express our deepest sympathy.
