“ I worked with Jett at Angel Flight Soars. She always had a smile on her face. She was one of the most compassionate people I have ever known. She loved helping others. She had a great sense of humor and she always made me laugh. She loved to talk about her family and her pets. I was blessed for having known her. She will be greatly missed.

“ I give my condolences to the family. I had the pleasure of working with Georgette "Jet" at Angel Flight. She was a very loving and caring woman. She will for sure be missed and I will always remember all our talks and many laughs together. Heaven for sure gained one of our angels. May God Bless the family during this difficult time
