“ *Marlene and Family,*

*My love, my thoughts, and my prayers are with you at this very difficult time.*

*The day my husband died I was alone with him at the hospital and I remember saying:"at least it won't be any worse".*

*And I knew immediately by his facial expressions that it was already better.*

*That did not make it easier for me, but it definitely made it better for him--and that is how I feel about GW. God is taking care of him today. I am sorry I am not able to come to the funeral home, but I have just gotten out of the hospital. If I am a lot better tomorrow, I will try to come to the funeral, but I'll just have to evaluate then. If there is anything I can do for you from home, please call me at 678-231-0406.##imported-begin##Freida Knight##imported-end##*
