“Peggy, it really came as a shock to hear of Gerald's accident. I first meet Gerald way back in 1983 in California. Gerald was one of my first bosses since my CATV career begin. (And I will add, My Best) I always considered Gerald more of a friend than a boss. He had that same relationship with all of us guys. Gerald was always quick to help and he never failed to help me, not just technical advise, but life issues, as well. And I loved him for that. When my family moved back to Tennessee in 1986, he put me to work in Florida on a sweep project. I used to see him around Atlanta when he and My Brother in Law, Bill M. was hanging out some, but I had lost contact with him for way to long. I see from his obituary, he has still been continuing to affect lives in a positive way. I pray that your memories comfort you during this sad time and that you can take joy, knowing that our Lord and Savior used Gerald to bring others to Christ! God Bless you and your family,
Sincerely, Doug, Elaine & Patrick McKee

“I was saddened to learn of Gerald's passing. He and I served together as chaplains for Billy Graham Rapid Responders after the Athens Alabama tornadoes. In the week we served together I found him to be a very genuine Christian and a kind and gentle soul. He was a tremendous asset in ministering to the disaster victims in Alabama, and to many others on his other deployments. He will be greatly missed by all of us, but I am confident that he is with the Lord, and that we will see him again down the road. I will be praying for comfort and the peace that passes understanding for his family and friends during this very difficult time. Michael Crowe, mjcrowe@arwelding.net.

“ We were devastated when we received the news of Gerald's accident. Peggy please know that our thoughts and prayers are with you.

Gerald was a valuable and highly respected member of our car club, American Street Rodders, and served as our Chaplain. The effects of his loss are being felt already by those of us who had the honor and pleasure of working with him at all our events.

When any of the members were sick or in the hospital he would take time to call or visit and I personally appreciate the visits he made when I was hospitalized last year. Gerald had a gentle spirit and loving nature and will always be remembered as an especially giving person of great character.

Please accept our sincere and heartfelt condolences at this most difficult of times, and please pass these feelings on to your family.

“ I met Gerald a few years ago at a motorcycle rally and instantly knew he was a Godly man. Last August I had the great pleasure of serving with him on mission in Sturgis and saw firsthand how he genuinely connected to and witnessed to people. Dear family, I am so sorry for your loss and hope you find comfort in knowing that Gerald is with God. I am sure that he heard Jesus say, Well done my good and faithful servant!

“ *My deepest sympathy to Peggy and all the family of Gerald. He was a true man of God, a great friend to have, I'm honored to have known him. He helped me with my car repairs and general maintenance for quite awhile, if I needed some help I could call him and he would work something out. I pray for the peace of God to be with all of you at this time, that he wraps his loving arms around you so that you know that you are not alone. Sending you my prayers, love and hugs!!*

“ *The members of American Street Rodders send their deepest condolences to the Aldridge family during this sad time. Gerald and his t-bucket will be sorely missed at our meetings, cruise-ins, and other functions. His service to our club was recognized by several during last Monday night's meeting. We are comforted by the knowledge that he is in the presence of the Lord, and that we will see him again.*
