“ Gerald was one of the finest persons you could hope to meet. For many years he saw to it that there were two racquetball courts reserved at noon so that a group of regulars could play doubles and singles. They represented faculty, staff, administrators and even the occasional football coach. There was a national amateur champion, and state champions for Florida and for Georgia. One year, coach David Houser convinced Gerald and me to enter the state doubles tournament at some appropriate entry level, D's or 35 . We won! In the early 2000's, a plaque was attached to the wall of the racquetball courts commemorating and thanking Gerald for all he had done to make racquetball something really special at GT.

“ God bless you, Sandra, and the entire family as you're going through this very difficult time. Working with Gerald at Georgia Tech for 30 years was a pleasure. He would do anything he could for people, without grumbling, and he generously used his many talents to do his best job. Gerald made our world a better place and will be sorely missed.
