“ *To the Hicks family, I worked with Ms. Gerri for some 20 years at the lab and might I say what a wonderful friend she was. She was one of the nicest people that I have ever had the pleasure of meeting. We had many many great times at work and I will always remember her in my heart. I would also like to say that she loved each and everyone of you with all her heart. She talked about her family continuously and with such pride. Devin and Skyler were her world and she loved them and cherished every minute with them. I will have you all in my thoughts and my prayers. I truly loved Ms. Gerri with all my heart and will miss her so much. God Bless You Lynn (Butler) Gravitt*
