“ *Getishye, I will cherish all the precious memories I've of you - your laughter, your humorous jokes, your unwavering and protective love, your fatherly advise, and just being around the loving friends and family that you were part of... growing up in the same neighborhood as your sons and daughters has been one of the best years of my life. Though I am sad that you are not here anymore, I know that you are not far gone. You only have stepped away for a time until our turns come one by one to join you, in the presence of our Lord and Savior Jesus Christ. So long until we meet again.*

“ *Dear Getish, although you have transitioned to the afterlife, your memories will live on. We will cherish every moment we shared with you Getish. Your awesome personality, perpetual optimism, and fighting spirit have left indelible impression on us. You were there when we took our first steps, wrote our first alphabets, and utter our first words. You are the paragon of fatherhood. You had the moral fortitude to stand for your beliefs , your actions spoke volumes about the make up of your character-sold rock. Thank for being great husband, wonderful father and phenomenal human being! There is no doubt in my mind that we shall meet again. So long, dear father!*
