“ *So very sorry for your loss. Although I did not know Gina.....I knew "of" her from my friend, her sis, Sherry. Sherry always shared stories of her life growing up as the "Older" sister of Jack & Gina. I wish for all of you -the surviving members of Gina's life - the very best of memories of her throughout your lifetime and just hope that you can hold on to all of the good memories. Peace to all.....Sandi Price*

“ David there are no words of comfort to be said. You were a wonderful partner and did a fantastic job helping her when she needed you most. Thank you for being so kind to my friend. Jeff and I loved her; she was easy to love. Really enjoyed the video and seeing her smiling throughout.

“ *My sister, Gina, was always a beautiful person. I always referred to her as Beannie, because when she was very little she had a toy that would say, "I'm coming Beannie", and when she would call me that was what I would say. The nickname just stuck.... I was the only one that ever called her that.*

She was 8 years younger than me and she did not remember my Grandfather, but he gave her the nickname of Honeybun. My Aunt Aline and other Aunts and Uncles continued to call her that. My Grandfather died when she was only 3 years old, but she was his favorite little granddaughter. Who couldn't love that beautiful face and especially her smile.

She will be in my heart forever and I will always miss her, especially in the Spring when we would talk about what flowers were coming up. Because, winter is over and there's new life....now she's on a new journey without pain...I miss her, but I know she's in a better place.

Her loving sister, Sherry
