“ Dearest Ginou, I have to believe that you left for a better world. I have to believe because it is way to painful...I have to believe because this world is left without one of his most beautiful Angel. Everything in you is beautiful and your smile was the most beautiful smile I ever seen. Some day we will meet again like you said in one of your songs...until then I will have your music and your voice sooth me and my soul. I love you.##imported-begin##Cristina Falcone##imported-end##
