“ *Sitting on the front porch in the morning together drinking our coffee. While everyone else was still sleeping, listening to the birds and watching the deer across the street in the neighbors yard usually a mama with her two babies. Talking about what we were going to be doing when we grew old and laughing about not growing up. I Love you and will miss our time together ❤️ my dear friend*

You will be missed deeply and we love you with all our hearts. Now Conway is singing just to you. Forever in my heart. Thanks for loving me so much. We love you mamma izzy*
