“ *Love you guys! Mom's with Jesus now with my dad. Thinking about what they might be talking about today (4/27/10).*

*Pete, take care dad! Sandy loves and cares for you. Sounds like you have great support. The best thing is that we are on the same page with the Lord-remember you got saved on a trip we took?*

*Looking for all of you guys to meet me there... I do miss mom and have many good memories myself of her from very early days before most of you were around... Miss you mom! Wayne :-

“ I was deeply saddened to hear of Gloria's homegoing. I sure will miss her. I work at Emory Eastside HIM. I got to know Gloria and her sister Jean. Me, Lois and Gloria were often sitting in the back room of HIM working and got to talk a little. I am formerly from Michigan also and we talked some about that and other things in general. I got moved upstairs and then to Heritage Center but when I saw Glorida in the hall we would always talk. Tell Jean hello for me also.

“ Pete...words seem empty and cannot express what a shock it was to hear about your sweet Gloria. She was so much fun and made me laugh all the time. I will never forget the endless mailings we did together, seems like so long ago. Know that I will be praying for you and your family, for comfort and strength to go through the days ahead.

Love you,
