*I am so sorry I did not get to attend Gloria's funeral as I had planned but I just want you to know how much I have always thought of her. Both, you and Gloria, have always been very special to me and my family. Gloria and I go back to the days when we rode to Atlanta to work and back together many years ago. I still think of those days and how much she used to talk about all her nieces and nephews....she loved the children. Both of you have always been so good to other people. I am sure she is receiving her rewards In heaven now. My prayers go out to you and all of your family.

“ *My condolences to the family of Gloria Wade. No matter who we are, losing a loved one in death is painful. The Almighty God gives us comfort because he has promised a time when "death will be no more." (Revelation 21:4)*

*He has also provided a hope of the resurrection for our loved ones who have fallen asleep in death when he says that "all those in the memorial tombs will hear Jesus' voice and come out." (John 5:28,29)*

*May you find comfort in these scriptural thoughts and the God of all Comfort during this difficult time.*
