“ *Daddy "Cornelius", this is your "Osito". I feel I am at peace knowing you are flying in the clouds like you always loved. I miss you daddy and love you so much. You were my biggest cheerleader. I wish I could hear your voice one more time to call me your Osito. I am so proud of the man you are and thank you for taking care of all of us and mom. I loved our trips to the airport with John to see the planes take off. We had so much fun doing selfies, videos and laughing. Our movie trips and car rides, vacations and cabin stays I will always cherish. Love you dad. Heaven gained a new angel to watch over us. Fly in peace daddy until I see you again. Love your daughter Maria your Osito.*

“ *My dearest Daddy,*

We had so much fun traveling to many places around the world, going to the movies, attending operas, eating at restaurants, shopping at Kohls, visiting the airport (watching planes that you flew), going to church and just spending time together. Your sense of humor was addictive!

You always encouraged me and believed in me and all my goals. It has been an honor and privilege to be your daughter. You made an enormous impact on your family and anyone who knew you.

I know you are singing opera for all of Heaven to hear!

I will miss you dearly but am so happy to know I now have a special angel in Heaven to look out for me..I love you daddy and will keep you in my heart each and every day until I see you again.

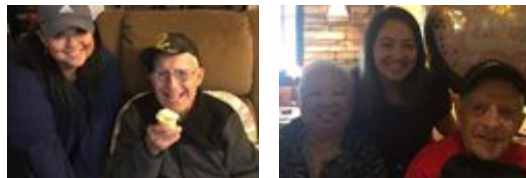

Love,

Carmensita
