

Gordon Frank Sevigney

October 16, 1954 - January 20, 2024

Sevigney – Gordon Frank Sevigney, age 69 of Grayson, GA, was born in Limestone, Maine and passed away on January 20, 2024, after many years of battling multiple progressive diseases, primarily scleroderma and pulmonary fibrosis. Frank was a true warrior. Frank attended high school in Biddeford, ME, graduating with his class in 1973. He attended the Biddeford Regional Vocational School for Automotive Studies. Frank had a deep knowledge of cars and was a very skilled automotive mechanic for several years. He spent many years learning the construction trade and became a master at finish carpentry, eventually going into business for himself with great success. So fine were his talents, Frank could craft just about anything with his hands. His attention to detail and perfection was his trademark. He was known as “Gordo the Tool Man”. He could fix, repair, or modify almost any home project. His strong work ethic served him well. Frank had many hobbies including NASCAR, SEC College Football, the Georgia Bulldogs (Go Dawgs!), Atlanta Falcons, hockey, classic muscle cars, Harley Davidson motorcycles, Coors Banquet Beer, boating, RVing, the beach and all things Star Wars. He was the family Wing Master and made his incredibly delicious chicken wings for many family gatherings. Family was everything to Frank. Bobbi was the love of his life for 33 years and was his Angel upon this earth. As the years passed, Frank evolved into the role of family patriarch and loved nothing more than family holiday gatherings with everyone together sharing laughs, family game nights and a few cold beers. Frank was preceded in death by his mother

Lucille (Fortier) Sevigney. He is survived by his loving wife Bobbi Sevigney of Grayson, GA; siblings Cori Sevigney of Grayson, GA, Steve Sevigney of Wells, ME, Terry and Joanna Sevigney of Byhalia, MS; stepdaughter Trisha and her husband Kevin Downing of Lawrenceville, GA; nieces and nephews Christopher Sevigney, Jonathan Sevigney, Lou Arseneault, Katherine Sevigney, Colin Sevigney; cherished cats and companions Micco & Madder. He leaves many close and wonderful friends with dearly held memories. Frank's wish upon passing was to benefit research to find a cure. In lieu of flowers, the family suggests a donation to either Scleroderma.org or to PulmonaryFibrosis.org to honor his courageous battle. Private services will be held at a later date. “ Frank was so sweet & funny and gave great hugs!! ❤️ It was wonderful to see him and spend time with him, this past November. He was really happy to see everyone! I'm thinking of him with a smile... as I imagine he's in a hot tub, drinking beer! Thinking of you dear Bobbi... and holding you all so close in my heart and prayers.
Love, Kim

“ My deep condolences to Bobbi and Cori and family for this huge loss. I had the great honor of attending high school with Frankie as we all called him! I spoke with him /face timed this past summer discussing our 50th class reunion which was held in September wanting him to be in attendance but as he said it just wasn't gonna happen... I've shared this with our classmates and we all send our love and prayers to the family... Sincerely April and the class of 1973 Biddeford high school !!!

“ I always liked Frank. I liked his smile and quick wit. We would always give each other a hard time about “what real beer was”. I would have something dark or German brands and he would say “that aint beeeee-er (in that Maine accent), this is beer”. And his beer was the renamed branded old Coors called “Banquet”. The beer that Smokey and the Bandit was based on delivering. And it took a “fast car” (the famous 1976 Pontiac Firebird with Tee Tops and Raven hood) to get it “east bound and down....loaded up and truckin....”
