“ Papa, It has been almost a year & It still feels like just a few days ago we were sitting in your garage talking about life. Thank you for being a huge part of my life & of my girls life. You will never be forgotten, our memories of you will live on & on....Thank you for making my grandmother a happy woman & for giving Kyle the fatherly love that he absorbed. You may not realize how many lives you touched, but you touched many. I love you pops & I miss you more & more everyday!###imported-begin##Wendy Cloer###imported-end##
