“ I'll never forget the day we met. You stopped by my window of the billing office at the doctors office I worked for when you saw pictures of rescue kitties I had for adoption ... my life changed forever. We had quite a journey. Rest in peace my dear friend. Misty

“ Grace was my big sister and the oldest of four children. She had to look after her sibling's (3) for awhile, as Mama got ill shortly after I was born. She even took Mama on the bus in Chicago (with her boy friend) as Mama was in Labor with me! We became close after our Mama died and then we became more like Best Friends. I would call her from Illinois usually once a month and we would talk and talk until my cell phone battery went down. She told me several times that is what she used to do to Mama. Only back then it was a long distance call. (no cell phones then) She said she just let Mama talk and talk, as I was letting Grace do. I missed those talk's after she went to Assisted Living.

I love her and miss her so much.

Lovely pictures of a lovely lady and her wonderful life. She was a wonderful mother to her three boys and was always there for them. She loved gardening and saving feral kitties. I was blessed to know her for 11 years and was such a kind mother-in-law to me. We are happy to know that she is in heaven with her son, Bobby and the Lord she loved so much.
