“ Hello I don't know the family, but I feel like I do, I'm friends with Cecily Scarborough, she has been a caretaker of Grace for almost 3 years. and she has shared with me the love she has seen.....the love between Harold and Grace! How what a great husband he has been, how he has taken such amazing care of grace, and how he took care of her every need, even in here last stages of here illness. And I would like to thank Harold for the kindness he has showed to Cecily, I appreciate all of his kindness he has bestowed upon her. And I pray that he and his family find comfort and peace at her passing, and know that she is now happy and well with god! God bless to all of you, thank you Naila###imported-begin###Naila Matichak ###imported-end##

“ Grace is my Maw Maw. She is truly one of the smartest, strongest people I have ever had the priveledge of having in my life. I will never forget the wonderful memories I have shared with her and Paw Paw through out my life. She taught me many of the things I know and live by today, that I will pass on to my daughter. I would like to thank my Dad and Paw Paw for never leaving her side, as well as Cecily, who is one of the greatest blessings in our family. I love you Maw Maw. I will see you again one day.###imported-begin###Lindsey Gain###imported-end##
