“ *Your Mother was & is a wonderful person. I will miss her geatly, she inspiration me in many ways. One of those ways was to see how well she did with the Bypass surgery. She keep encouraging me to let Elise have it done. She did so well with it I gave in and said OK for Elise to have it done. This has change Elise's life. She is much healthier and happier.
May God Bless and Keep you all in the days ahead. We will be praying for you.
