“ To Susan and family I am truly sorry for your loss. You are in my thoughts and prayers daily. I know Doug is at home with Jesus where he longed to be.

He did not want to leave his family but you would not want him back feeling as he did. Our loss is heaven's gain. We will see him again soon and have a heavenly party with his love of music. Susan if I can help you in any way please do not hesitate to ask. I am available to listen, hold your hand, hug or what ever. Your journey has just started. Prayers and thoughts for you and your family during this difficult time and adjustment.

“ Doug will be missed by so many, prayers for Susan and the rest of his family. I have never sat in a Sunday School class and felt the passion in which he would teach. He knew actually where he was going when he passed. He was a humble and caring man; I could feel the love of God anytime he was in my presence. Rest in peace Doug you will never be forgotten.

I'm at Doug not coming to Georgia to visit my son Daniel Vickers and my daughter-in-law Polly.

I went to church with him on Sunday at Sunrise Baptist Church Doug was teaching the class. He made a very impression on my life after hearing him teach.

Doug and I spoke several times over the phone especially after my husband passed away back in May of last year. He called me several times just to check on me to see if I was alright.

He was a very good Christian and you could see the love of God all over him.

I will miss him when I come down to Georgia to see my son and daughter-in-law.

I am praying for Susan and the girls because they have lost a great man. But our loss is heaven's gain.

Praying for you all.
