“ My thoughts and prayers are with you all. Grady was such a good man. I have fond memories of him at Lebanon. I remember being with the choir when we visited his home and sang Christmas carols to him one year. He seemed to have such a good time. I'm sorry I couldn't come to the funeral home. I had a CT scan done yesterday and afterwards I had a pretty bad headache . I won't be able to attend the funeral today either, but I just wanted you all to know that I love you and am thinking about you.

Love,
