Red, What a wonderful tribute to Grady and the beautiful family that you made together. I can't think of anytime that we have talked that you didn't bring of Grady and we would both laugh hysterically. I know you are hurting sister but I am praying for your peace and comfort. I love you Red!

“ Grady Grady Grady... I have never been able to eat Brunswick Stew without thinking or talking about you. Watching you make it on the carport and in that old barn place. You were such a big personality in my life as a kid and I am beyond blessed for knowing you. You will always be in my heart and forever a part of my soul. Now I will be expecting a big ol bowl of stew when I see you in heaven one day. Mary I love you and I am so sorry for pain. Please know I am sending so much love to you all! I may not make it to the service but Mom and Leslie will give you an extra hug just for me.

Lots of Love and Prayers
