Wendy, I was so shocked to hear of Greg's passing. I keep remembering him pushing the wheelchair with your Mother outside because it was a beautiful day and he wanted her to feel the sunshine and get some fresh air. I was so impressed with his compassion for her and his generosity opening your home to us when we made the trip from Ohio to see your dear Mother. My heart goes out to you and your children, please know I'm thinking of you. Beth

“ *Wendy, Em and little Hank; so very sorry for your loss. We are in shock as we do not know any details. I just remember how much your mother, my Aunt Nancy, loved Greg. She always bragged him up and he was such a wonderful care-giver to her along side you, having her in your home as long as possible. We are comforted knowing he is at home, rest and peace with his Father God in heaven. Will be praying for your family - God will never leave nor forsake you. He is there, He is faithful and more than able to do super- abundantly, far over and above all you can ask or think. Loving you and hugging you in our hearts, Sondra*

“ The Grossman family was a part of our piano studio for 11 yrs., from 2004 - 2015 during which time Emily studied piano, and what a talent that girl was and is! The entire family was a delight to know and Greg was most definitely an asset to the studio. Many a time at recitals and events, he was so encouraging to the students as well as being a proud and supportive parent. We will always remember him with fondness and wish to send our condolences, prayers and thoughts to Wendy, Emily and Hank. May Greg rest in peace and may the family rest in the Father's grace and love. Butch and Linda Walker, Tallahassee, FL

“ Greg was our neighbor for many years. He was always so full of energy and fun! Ready to help whenever he was needed...especially with home repairs when we got in over our heads. SO proud of his beautiful family! Hank's incredible vocabulary at such an early age is surely thanks to Greg's attention and conversations. I still can't believe it. He will be missed so much.

“ Very happy memories of visiting Greg and Wendy and their children in August 2012. They prepared a delicious spaghetti dinner for us while we caught up with each other's lives. Got acquainted with adorable Hank and pretty and talented Emily. The next morning Greg took us out on Lake Lanier in his boat. He was in his element! Very good and careful driver, too. We are so glad we had that visit. We'll always remember that happy look on Greg's face as the wind and water blew in his face.

We will miss you, Greg!

My first memory of Greg my neighbor was of him at the pool one 4th of July grilling hot dogs for anyone that wanted one. A few years later when i was injured in a car accident he sent me an email to let me know if there was anything i needed altered at my house that he would be happy to help in any way he could. Without a doubt Greg had a huge heart and was always there to lend a hand to anyone who needed it. He will be dearly missed in our community and we will be praying for his family.
