“ *My most heartfelt sorrow that GT's family and friends will not only miss the earthly presence of GT, but his huge personality and heart. I pray you can remember the light he cast while he was with you, and not on the darkness he has left behind. We see the days, weeks and months, but God sees eternity, the universe. I pray you will be comforted, and held tightly by the love of Jesus. I love you all. I remember you as children, and you will always be my little cousins.*
