*What wonderful memories you have in the video. I smiled, laughed and cried. God knew Greg needed strong and patient parents. His smile at Angie's wedding made me cry. I'm so glad you shared his life with us, because we missed so much of him growing up. The parties, costumes and smiles were beautiful. Many prayers are being lifted for his family and friends. ❤️*

*The video is perfect! Greg was surrounded by so much love through his entire life! I was blessed to know him and his family and will never forget the laughter and tears we shared. Greg was a loving soul and liked special things - Garfield and calendars were two of them! I love you Greg, sleep well my friend!*

“ *We remember watching Pat and Gary chasing Greg when he made his escape on his hot wheel in Rantoul. There are so many memories of McDonalds birthday parties, trick or treat and just fun times with the five Murphy/Zorns kids. He taught our children so much about people through his life's example.*
