“ I met Greg about 30 years ago when I decided to get into the printing business.I started for a company called cone business forms in Decatur.Greg was the one that trained me on my first printing machine.he was so patient with me training me,we became very good friends.he was such a good hearted man and would do anything to help you.he was a character,always had a good joke for you.he could always get you laughing about something.we stayed good friends for over 30 years.he also opened up his home to me at one time when I went thru a bad divorce,he let me live there till I could get back on my feet again.we also shared some good times together up at his family's lake house at lake rabun.my friend Greg,you will be definetly missed.I know you are in a lot better place.but I know all the peoples lives you touched while you were here on earth including your family and friends will deeply miss you.god be with you and your family.your friend Steve Bullard
