“ Greg was a great guy! He was a classmate, friend and all around cut up. He made us laugh and filled our hearts with many happy memories. May his family feel the love and prayers that surround him from his MHS class of 1986. We loved him from his humor and care for others. He will live on in our hearts and memories. Heaven gained a DGD.

“ There's so many memories of Greg. But 2 of best for me are these. There was a house on fire at Hillcrest. I worked right beside it. I grabbed my phone and ran out the back door. I was so hoping station 13 would be there. And to my surprise there they were. I was snapping pictures. And then I saw him that towering big man he was. I couldn't be happier. I got to see him in action. I've known his family for over 30 years. And I know his mother thought he walked on water. She and I were like sisters. I got to live many memories through her. I was so excited to be able to send her pictures of her Greg in action. And as I look through the pictures. I see some of the ones I took. What a great day that was !! Another great memory is when I was in rehab for heart surgery. My door opened and in walked Greg, Kristy and Colton. They had me Chick-fil-A. I was more excited about seeing them than the food. They came a long way just to see me. I'm going to miss you. But I know I will see you again one day.
