“ *Such a beautiful person and always my favorite cousin since we were very young.
We talked every week, sometimes several times a week I always enjoyed that so much. She would quote Bible scriptures, that were always so perfect for the moment. I will miss you so very much precious lady, so go rest and sing high on that mountain! Now with Jessica your precious daughter, what a reunion that must have been.
I know you are looking down and smiling on us. I will hold my memories close and cherish them forever. See you soon, love you*
