“ *My prayers are with the family.
I was deeply saddened to learn my dearest
friend had passed.
She was more than a friend to me because
we shared so many memories and secrets .
She laughed when I always ended my emails with her new
nickname “Georgia Peach.”
Until we meet again!

“ *Please accept our condolences. My family and I were unaware that
Gwen had passed. Deeply sad to learn that Chad had passed also.
I remember the special care Chad took to care for his mom after her
car accident. I am sure that other family members helped as well. It
was touching that he had made a space in his house for Gwen. The
last time I saw Gwen was at a Christmas ornament exchange. I
remember Chad sharing a funny story about a vacuum cleaner
disaster. It was very relaxing and lot of fun, I moved away in 2016
but Brenda, Penny and Teresa still live in the area. I regret that we
were not there at Gwen's service and able to express our
condolences in person. Edna W. Duncan*
