“ *I've met some impressive people in my 71 years, but Hal Dolin (who I first met in 1997 with B-Dry) is at the top of my list. We worked together for 20 years. Strength, class, quiet confidence, humility, honesty, humor, kindness, common sense, commitment, intelligence, reliability, consideration, and above all, love of family—these are just some of the words that come to mind when I think of the Hal that I knew.*

*To Judy and the Dolin family:*

*Whether you knew Hal as your husband/father/grandfather/great grandfather, be assured that there are a multitude of people touched by him who will never, ever forget Hal Dolin. He will live on in Heaven and in all of our hearts.*

*Rest in Peace, my friend Hal*

“ *Met Hal 17 years ago as an employee of his. He became an instant friend and mentor, more than a boss. I replaced his position when he retired proudly because of his great leadership and training. He was a great man and fixture of the company we worked for. He will be sadly missed. Thoughts and prayers to the entire Dolin family.*

“ So sorry to hear this, Judy and family. Prayers and sympathy in this time of sorrow. I have often thought of you and Sharon and remember all the good times we shared in the past. Your house was like a second home for me. I will always remember that when I would come down and it would be so cold outside and your dad would say, hey it must be cold outside, Rosie’s nose and ears are red. He got the biggest laugh out of that. I loved all of you and your family,  
I was always treated so good and I think and hope that you all felt the same way about us. 🙏🙏❤️❤️
