“ Dear Markham Family,
Your sweet Hannah left an indelible mark on all she met with her most beautiful smile, infectious laugh and her most kind and thoughtful heart! We met many years ago when she was a student at Monarch School and remained in touch for many years as she became quite a marketer for the kitchen products she sold (of which I purchased several :-). Thank you for sharing your incredible daughter with us for so many years. Blessings to you all; Hannah will be included in my daily prayers to all the students who have touched my life and still inspire me, even from their homes in Heaven. Jessie Moreau

“ Dearest Hannah, you were always one of the happy ones on the field. Justin and I will miss you and your wonderful smile. I enjoyed sharing the time we had at the Gwinnett Braves. God has called home another angel. You will be missed on the ball field. I know that your smile will always shine on our ballfield. With love and prayers to Joe and Julie. “ This pic I am posting is one from a bowling birthday party we went to for Hannah. I am a terrible bowler! She looked at me after one of my gutter balls and asked if I wanted to use her gutter guards and ball shute!! I responded with a quip of listen here you little #\$\$@! And this was met with a tremendous giggle and me snapping this pic. She was really something and will be missed.

“ Hannah, I remember the day you were born, but what I remember most watching as you grew up the awesome smile you always had, and the sweet sweet kindness that just exuded from you naturally. You will be missed by your family and many friends, but knowing you and your sister Heidi are together again in Heaven will give much comfort. Many prayers and much love and hugs for your parents. Love you much Joe and Julie!

Hannah was an Angel that brightened all lives that crossed her path. She certainly brightened my day every time her parents would visit my office. She will be missed by many but my prayers and thoughts will be with Joe and Julie as they will never be the same. May God's peace surround the family at a time like this. Goodbye for now Hannah, we will see you again real soon.
