“ *My condolences to the Garrett family on Harold's passing. He was such a special person—having given my first haircut nearly 50 years ago at Emory Village as well as haircuts for our three sons.*

Growing up in the Druid Hills neighborhood was like living in Mayberry. I treasure so many friendships and admire community stalwarts like Harold. We could all depend on him.

*Blessings & Peace,

“ *The Tribute video was spectacular. Harold was not just a barber, he was my barber. He was my barber for 46 years. He was also my father's barber for many years. In 46 years, I believe my hair was cut by someone else only 3-4 times. Harold was a friend. When I sat in that chair, he made me feel like I was the only person in the world. After handing me a piece of bubble gum, I beamed, because of him. When my father passed in 1996, Harold was not only at the funeral, he kept up with me and made sure I was good and everything was moving along as it should. He educated me in so many ways, I don't know if I ever thanked him enough. Harold was an incredible conversationalist. We would carry on for an hour if he wasn't busy. I loved listening to him talk about the mountain house and his vegetable garden, the Shriners, the dune buggy, the pest problems in the garden, just endless wonderful conversation. And, of course, the Massey Ferguson. What a machine, he'd say. Harold, I will miss you with all of my heart, but the 46 years of memories will last me the next 46 years. Phyllis, my prayers and thoughts are with you and all of the family. God received a beautiful angel Monday. Harold, I love you buddy!*

“ Steve Shepherd here.
Harold was my barber, confidant, and friend for many years.
He went to work at Emory Village Barber Shop as a teenager in the 1960's and actually was my grandfather Clyde Shepherd, Sr.'s barber, my father's barber, and barber to many members of my family.
He was a fine man, a friendly gentleman, true blue through and through.
He will be fondly remembered and will have plenty of familiar friends in heaven.
Thanks to his family for letting me know he wanted me to be contacted.
Bless you all.
Here's to you, Harold!
Best,
Steve

“ *What a beautiful Tribute Video! Praying that God will give you all peace, strength and comfort in these days ahead. When compared to eternity, our existence in this life—no matter how long—is but for a moment. You will see him again, and God will wipe away all tears!* ”
