“ *I am so sorry about Harold and my prayers and love are with you Sara Ann. My greatest memory of Harold was how much he loved life and how he could make you laugh even through your tears. So many times he came to the house for repairs and each time it was filled with some hilarious event, but he was a great repairman, but most of all he was a good Christian friend to everyone he met and I can just imagine what he is doing in heaven-I am sure he is telling a wild and hilarious story and everyone is bent double laughing. My prayers and love are with you.*

“ We can truly say he was one of a kind, except his sweet daughter Lynn. Bro. Harold was a person that was what he was, and never tried to put up a front for anyone. If he liked you he liked you, and if he didn't he didn't. We can say from our heart that we considered him a special friend to us, and to our church. He will greatly be missed by us, and his precious family will be in our prayers..... Love,

I'll never forget how much Harold meant to me when I was a teenager. When I had to move up from Mrs. Garmon's Sunday School class into Harold's at County Line Baptist Church, I was so devastated. But Harold was an awesome teacher and I grew to love him just as much as Mrs. Garmon. I am happy today when I think of how these two precious people shaped my life and gave me a strong foundation in the Lord Jesus Christ. Now I am a Sunday school teacher and I owe it all to them. I can share with my class the love and kindness they taught me. With my deepest sympathy to the family--May God be with you night and day.

Lynn and Sara, Shelia and I were both saddened to hear of your father's death. Having both lost a father we know what you are going through. It gets easier with time knowing that they are not suffering anymore and you have the promise of seeing him and other loved ones who have passed on before him. We are praying for you and the family today and days to come. Love, Noel and Shelia Solesbee

I've known Harold my whole life and have many good memories of him and his family. But my most favorite memory of Harold is when I was very young, he would carry me around County Line Baptist Church to collect money for burgers and fries, probably my first words.

He will be missed by many. I will be praying for the family during this hard time of waiting til you see him again. Love, Lucinda Baker Matthews
