

Harold Tribble

October 4, 1928 - October 28, 2025

TRIBBLE - Harold Tribble, 97, passed away Tuesday afternoon, October 28, 2025. He died peacefully with his family at his side. Papa, as many people knew him, was born on October 4, 1928 in Loganville and spent his life in the same community raising a family and being an active part of his church, the Loganville Lions Club, the Walton County Special Olympics and many other organizations. His parents, Ross and Rose Tribble along with his brothers and sisters Jimmy Tribble, Bill Tribble, Martha Ann Stewart and Hilda Godfrey are waiting for him in heaven. He married Janice Glass on December 21, 1961 and they lived a blissful 62 years of marriage. Harold is survived by his brother Dan Tribble, his son, Grant Tribble (wife Rachel), daughter Toni Jarrett (husband Heath), and beloved grandchildren and a great grandchild.

Papa had such a rich and diverse life. He served in the US Coast Guard as a Helmsman for the USS Violet in the Baltimore Harbor, he lived in West Palm Beach and then moved back to Loganville, met and married the love of his life and spent the rest of his days as a father, a coach, a prankster, the teller of all things joke related and generally, being a good man. He loved and could tell a good story, had some of the craziest experiences, was a die-hard Georgia Tech fan until the end, could make his kids "act right" by simply clearing his throat, and was always the person you wanted on your team when playing Trivial Pursuit. He knew everything, experienced most of the 20th century, and loved the big band era of Harry James, Glen Miller and the ultimate, Louis

Armstrong. He believed in hard work, responsibility and working to make sure his family understood their purpose and worth in this world.

He may have always seemed like he was involved because of his wife, but “Papa” also loved service to his community. He will be missed for his hard work, that amazing smile, his big hugs and the wonderful words we will all miss “hey baby!”. Every time you walked into a room, his eyes would light up with wonder, and that was a talent that made everyone feel special.

Mr. Tribble will be honored on Friday, October 31, 2025 with a visitation from 1:00 PM - 2:30 PM at Tim Stewart Funeral Home, Loganville, with a brief service following at 2:30 PM. In lieu of flowers, the family requests donations to the Walton County Special Olympics, 200 Double Springs Church Road, Monroe, GA 30656 or to the Loganville Lions Club, 1528 Guthrie Crossing Drive, Loganville, GA 30052.

Mr Harold always had a big smile for those that knew him. His life had an impact on so many people in his 97 years of life. I was very blessed to call them friends. His sweet disposition and giving heart gave so much to many people throughout the years. There will never be another Mr. Tribble, he was a “good and faithful servant” and will be missed.

I am sorry for your loss Toni and Grant, but now he is with the love of his life.

“ Grant and Toni, I don't have to tell you how special your father was and how dearly my own parents and grandmother loved him and Janice. I can't remember a time when I didn't know Harold, and yes, I can hear his "hey baby" right now! Another light of "old Loganville" has dimmed but will never die in our hearts. All our love, Michael and Scott

“ I met Harold Tribble through his wife, Janice. I worked with Janice for several years at Loganville Elementary School. We became good friends. Talking, swimming, many shared meals and more shared laughs and cries; Harold and Janice are forever a piece of my heart. I know this is true for many. He was always warm, kind, & giving. Harold Tribble will be deeply missed, but I'm happy he is with Janice. He surely heard, "Well done, good and faithful servant." The Tribbles were the gold standard of hearts for service. Prayers and condolences to Toni, Grant, the grandchildren and extended family.

“ Years before meeting and working as a paraprofessional at Loganville Elementary with Miss Janice Tribble, I had the pleasure of interacting with Mr. Harold at the Loganville Publix. Despite his visual impairment, he bagged customer's groceries, and of course, kindly visited with us while he worked. That was probably the best part of going to Publix. Getting to chat with Mr. Harold. After working with Miss Janice, I got to personally know Mr. Harold even better. What a positive and inspiring man. Loganville (and Walton County) has quite a legacy and heritage in Mr. and Mrs. Harold Tribble.

Fondly,
Barbara Myers
