“ I was Secretary to Buck in Q.A. during the '80's and picked up the paper and saw that he had died. I am so sorry that he is gone. It was such a privilege to work for him. I am now 86 years old, and have several health problems. I have a doctors appointment this morning, @ 10:45, but still hope to get by to see him @ the funeral home.  
My sincere sympathy,

“ *I first worked with Buck in drafting in our early days at Western Electric. As we moved into different departments over the years we would still see each other on occasions. Buck was a very fine person and I am sure he will be missed by his many friends and family.##imported-begin##Jim Benefield##imported-end##*

“ *It is so sad to hear about the loss of our friend, "Buck". There was always a lot of laughing and teasing between all of us. We enjoyed a trip to NC and TN and ate at a couple of wonderful restaurants, going to Cherokee will never be the same without him. Football games between GA and TN won't be as much fun. He has been a very caring person and loved our family members so much. Our prayers are with his family and friends at this time.##imported-begin##Tom & Sallie Park##imported-end##*

“ *We were fortunate to have known Buck since 1991 when he rented our house in Sandy Springs. He along with his son J.J. lived there for 11 years. Buck purchased the house next door. He was a very warm and caring person and a very good friend. Our prayers and thoughts are with the Family.
