“ *I am so sorry for your loss. The loss of a loved one is so heartbreaking. If our loved one has been sick for a while, we say to ourselves, "I want them to live, but I do not want them to suffer. " If our loved one is in a accident or dies suddenly after a serious illness, or natural desaster, we ask ourselves Why, why, did it happen, or "Why was I sparred, He or she was so young." So many questions. Looking at Gods word the bible, there are some possitive answers. Isaiah 33:24, and 25:8, tell us that the God of love will soon bring an end to sickness and death. Jesus while here on earth spoke about the resurrection hope. In John 5:28,29. that means that we will have the chance to see our loved ones again. What will conditions be like here on earth when these blessings are fulfilled? Psalms 37:10,11, 29, and 72:7,8 speak about the wonderful conditions that we will be surrounded by when the above blessings are fulfilled. what must we do to qualify for these blessings? Please contact the local Kingdom hall of Jehovah's Witnesses. They will give you some for sure answers from Gods word the Bible and comfort.##imported-begin##FH##imported-end##*

“ I am so sorry for your loss. May reading these scriptures be of encouragement to you and your family. The loss of a love one is so heartbreaking. Many wonder, will The God of Love ever bring it to an end? What a Question, It sounds like a dream. When you think about it. Doctors and individuals do all that they can to prevent death. Why, because God has put eternity into us. Ecclesiastes 3:11. Satan the Devil, Adam and Eve intervened, and sentenced mankind to sickness and death. Isaiah 33:24 and 25:8, tell us that The God of Love will bring sickness and death to an end. Psalms 37:10,11, 29, and 72:7,8, talks about the wonderful conditions that we will be surrounded by when the above blessings are fulfilled. I truly hope that this letter and the scriptures within will give you comfort and assured hope. For further information, contact the local Kingdom Hall of Jehovah's Witnesses. “ For Harriet's Loved Ones. I am so sorry I can't be present for you. I am planning on coming to Georgia from Oklahoma the week of Thanksgiving and had planned to see Harriet then. She could not wait for me, God had loving plans for her. She is probably celebrating with her mother, My Aunt Ruenet, My mother and father, Ruth and Short Cheek and Grandmother Beulah. She and I resembled, but she was always so much prettier. I celebrate the time she was here. I know each of you will miss her, but I know Our Heavenly Father will give you comfort. Much Love.
