“ This past weekend I truly understood how much I looked forward to seeing Harriet nearly every day for 20 months. Even when I took a few days off to go camping (which she loved), I included her taking her fishing, BBQing or just to let her enjoy the outdoors. Having lived in Georgia on and off for a dozen years or so, it never felt like home-till I met Harriet. Spending time with and talking with her, we had a lot in common and we developed a bond, I truly enjoyed being there for her and spending time with her and helping her as much as possible. I only had one reason to stay in Georgia (a financial obligation), but the friendship we shared gave me another reason to stay. The days she was able to laugh and smile lifted me and brought hope to a dismal time. I know that I have lost my Best Friend and will always remember and miss her. I hope the happy pain-free place she is in has a campground or cabin on the shores of a fish-filled lake

“ My name is Annette Cancel and I used to care for Ms. Harriett when she lived in Countryside. I Loved her just like she was my mother. Used to go every day before I started working to make her breakfast. She Loved how I made my scrambled eggs. She would ask me how I made them and I would say "Eggs. milk and some adobo (Spanish seasoning) and a lot of Love" and she would smile". She would also ask me if I was Mexican. I would tell her I Am from a Beautiful island called "The island of enchantment - Puerto Rico". She made me smile and I am happy I was able to care for her when I did. Have lots of fond memories of her. REST IN PEACE 😊
