“ *Dear Family of Aunt Jack,*

It was my pleasure to get to know Aunt Jack and Uncle Otis when my grandson, Michael, and I went to the Olympics in Atlanta. We stayed in our motorhome and parked it at Aunt Jack and Uncle Otis' home. They were gracious, fun and loving to be with each day. We had fun doing things together. There was a swing my grandson played on. We were invited to eat. It was the first time i ever had hot dogs with coleslaw. Now I fix it all of the time. They told us places to visit and how to get there. We took them out to eat which was a treat for all of us. These are fondest of memories. God bless each of you.

Ann Little is a dear friend who got Aunt Jack and me together. Ann is a super special and loving person whom I admire and respect and love. Her graciousness and charm must run in this beautiful family. May you have comfort knowing that Aunt Jack is with the Lord above.

Much love,
