“ *Dear Mrs. Grace, wanted you to know my prayers are with you all during this time. I pray that our Heavenly Father will bless you and family with peace and strength. Back in the late 70's early 80's Harry was my boss at CR Bard in Covington GA. One of the finest men I have ever met. I have had my on electrical business for over 33 years now. I have worked with hundreds of plant engineers, but I have yet to meet one as intelligent nor as much common since in all my years. He was an honor to have known and worked for. I can remember him mentioning you and those girls on numerous occasions, he loved you all dearly as well as all the folk at Bard. We will miss you Harry but we will see you again. May you Rest In Peace. Terry Ozburn / former electrician at Bard and owner of Ozburn Electrical Contractors, Inc.*
