“ So many memories and so many good times. So many stories were told, so many evenings sitting on the deck after working all day long on our land. So many meals together and yes, sometimes we were just too tired to eat.

Celebrations with our families as we watched each other's kids grow up.

We retired and then worked together for another ten years or so. The miles we traveled and the fun we had.

I am positive that you and Tom are sitting on a bench right now swapping tales.

Harry Fulford, you will forever be close in my heart.

“ He loved to make people laugh and he was a kind hearted wonderful man. Also he could cook some great Mullet. Well thats what he always told me anyway. He gave some wonderful hugs but I think what I will miss the most about him is his smile. So glad I got the honor of knowing him. God bless him

“ Mr. Fulford "Harry" was one of my favorite people to talk to. He always had a story or a joke and was always up for a cold beer and a laugh. I have no doubt that he has made his way to Heaven by now and is in the process of telling all of those jokes and stories to all of the people who have been up there waiting for him to arrive. They are without a doubt having a party tonight. Mr. Fulford... we will all see you again someday. Until then, rest in peace sir and know that you are missed!
