“ To my cousins: I loved your dad and mom with all my heart! They were two of the best people I ever knew in my whole life! Not an exaggeration! Right now, though, I want to tell you all that I am heartbroken by this news and my heart goes out to each one of you. Please be assured that you all are in my thoughts and prayers. I wish that I could be there to comfort y'all but I am seriously ill and have been for almost 20 years. I must mention that I didn't know that your mom my kind, sweet Aunt Sue, had died until 3months later. Believe me, if anyone had called I would have tried to be there for you all, and to show my love and respect for Aunt Sue! You all will never know what your parents meant to me along with the great respect I felt for them throughout my life. Your dad set such an example for me and Pat. We learned about honesty and respect as well as compassion from our Uncle Mike! We thought that he was so handsome and strong! As we grew up, we continued to see that your dad was, as they say, the real deal! Uncle Mike was everything we thought he was as young kids. Both of us talked about how blessed we were to have known such a wonderful man! We both believed that he showed us honor and everything that was good and right in the world. I am so sorry that his presence is gone. I liked thinking about the world and knowing that your dad was still in it. I loved thinking and talking about my Uncle Mike and this will not STOP ME! Again, since I went through this with my mom and dad, I ache in my heart for each one of you! One last point, it is so difficult to lose a parent, but losing your last living parent is especially difficult. Please remember that you all still have all of us! Remember that each one of you is loved dearly by each one of us. If I can help anyone get through this, call me at 14076639699. I am just about always home. I love you all. Please remember this! I am very sorry.

“ *To Harry's Family and Friends.
My name is Stephen Sopko and even though it's been 40 years, I can still look back to knowing and enjoying Harry's friendship. We were both members of the 442nd Personnel Service Company, Army Reserves. He was the NCOIC of the Records Section and I was the Company's First Sergeant in those days. We spent many hours creating, planning for the Unit's operation and many Summer Camps for six years ('74 to '80). My wife, Mary, was also in the Orlando Unit at the same time and also remembers Harry very well.*

We both would like to extend our warmest condolences at Harry's passing.

*Respectfully,
Command Sergeant Major, Stephen Sopko
