“ As in all good Indian families (the frhaets side), I was really looking forward to choosing the right man for Vanessa. A man who had a heart full of kindness and care, a mind full of adventure and exciting times and the flexibility to be both sensitive and strong depending on what the situation needs. But, typical of my VV she went and found him herself. manifested him actually, but thats another story. We all love Tom and his family and we are so happy that he has made the wise choice to love, honour and cherish the most loyal, loving and special girl who taught me unconditional love and I dare say has amazed Tom with the depts of her love for him. Congratulations, I love how you care for and love each other truly an inspiration. This (stress free) wedding is about how much you love each other and the special people that make up your lives, I cant wait. From my heart to yours, Mummy xx###imported-begin##Sneha###imported-end##

“ *July 4th week celebration: Uncle Harry, aka Uncle Sam, is going to celebrate July 4 this year in the Grandest Place with loved ones and friends, able once again to climb on roofs if needed but this time just for an even grander view since nothing will be in need of repair. --- When Uncle Harry married my neighbor and moved on the same street (It's a small world after all), I just never knew what to expect. One day he may be on the roof; the next morning he may be leaving at the crack of dawn to go to a meeting followed by a trip to the fitness center. I would be up, barely walking to get that sip of orange juice (my "coffee") when a streak would go by the window. I'd smile and think "there he goes again!" He was such a good grandfather we decided we'd like Elly, our first grandchild, to call my husband Pop! Keep the tradition going! Prayers to all. Harriett, Mike, Marsha, Jeanette and loved ones - Let the Holy Spirit love on you and carry you through this time of sorrow, yet joy in knowing Uncle Harry is not old or sick any longer. Love to all.*
