“ *Harvey (and Edna) were a part of almost every memory I have of church life at Lenora. The fact that he continued to lead congregational singing well into his 90s speaks volumes about his dedication to service. He was an inspiration to me and I will ever cherish the memories of music, Sunday school, and revivals at Lenora where Harvey and Ms Edna were such active participants.*

“ I am so sorry to hear this even though we all knew it was coming! He was such a special person in my life and really helped me in starting my singing when I was a child. He was my song director for years and as I got older and became the song director, he was still my assistant for many years !!! I am so thankful that he and Ms Edna was able to be at our hundred year celebration !!!! God bless all the family during this time !!!!
