Carla, I hunted all over the internet for your Mom for years and was terribly saddened when I learned she had passed. I was also living in Snellville at the time of her death. You know I loved your Mom and Dad and miss them so much. They were like parents to me and beautiful souls that impacted my life. I was in my early 20's when I worked at Martin-Robbins in the early 80's. I so wish I could have seen her again. I also opened and displayed the gifts at your beautiful wedding. I hope you and Kevin are doing well. Are you still a nurse and Kevin a pilot? If you are notified of this post I hope you'll contact me (Debbie Bowden Shaw) at debmick02@gmail.com. I would love to talk to you.

“ Carla, I learned of your mother's passing on Wednesday, March 30th. I was shocked that I did not know - I am so sorry. I went to work for your mother at Martin-Robbins Fence Co. in 1962, after graduation @MACHS - She gave me a break in life and on top of that invited me into her and your Dad's home to live until I could find a place. What a wonderful heritage they had together. Your Mom and Dad were so good to me and my husband as Al gave a husband a job at his plant in East Point - I could go on and on - I knew she was ill, but always knew she would win in the end - and that she did. I will never forget the day you were born as I was working for the fence company at that time. Let me know if there is anything I can do for you - Linda P.
