“ *"Aunt" Debbie, Zaine & Charlie, although life has brought distance between us, we have never forgotten you. You all were part of our lives as Adam and I were growing up. Time has made us older and more farther apart, but our memories and love in our heart lives on. We did not know of Heath's death until today. We are so broken heartened to hear of his departing. Please know we love you and have you in our thoughts. May God's Grace comfort you and the knowledge that God's plan had called for this even though we may never know God's reasoning. From our family to yours, may you find peace and happiness in your memories. Please pass on our sympathies to Heath's son.##imported-begin##Becky (Jordan) Holt & Adam Faircloth##imported-end##*

“ Heath.....I'm so sorry I could not be there to say a final goodbye to you. I know I have not seen you or your brothers in years, but that doesn't mean I don't think about all of you and love you just the same. I know your in a better place but that doesn't make losing a part of your family hurt any less. You will always be loved and missed. Please watch over your brothers, they need your guidance now more than ever. Give your dad a hug from all of us.

To Aunt Debbie.....I am soooo sorry for your loss. You are in my thoughts and prayers.....

To Zane and Charlie.....I haven't seen you boys in what seems like a lifetime, but just know that I am thinking about you and I love you both.##imported-begin##Tracy (Mccarter) Reynolds##imported-end##

“ Heath, there are no words to express how much this has effected your family, friends and so many more people that love you so very much. Although everyone of us know that your in such a better place now and no doubt happier than you've ever been or ever could be, its still so very hard to put the fact of losing you into reality. You were always so close to us and always the jokerster of the family. we were all talkin about all of the good times we've shared with you and how hard it is goin to be now without you around. But with saying that, we all know that you will be around. although we can't see or hear you, we know your there watching over us and listening to everything that everyone of us will be saying when we talk to you. Watch over your mom and defiantly your brothers please, they'll eventually be ok i know but their pain will never go away and as you were their leader they'll never be the same without you in their lives. Let them know its ok to cry and mourn you but at the same time it's ok to let go. Please tell your daddy that we love and miss him and that we can't wait for the day that we all see yall again..... you'll never be forgotten, and you'll be in my thoughts and in my heart everyday that is left for me on this earth..... I love you and i miss you so much already....##imported-begin##Teresa (Mccarter) Colwell##imported-end##
