“ *To All of the Woolever family,*

I am so saddened of the news of Heather's passing. Although in many social events with Neil & Tina, I never had the pleasure of meeting Heather, that was not discounted by how proud her father, and stepmother, Neil & Tina were of her. You are all in my thoughts and prayers during this difficult time.

“ My mom and my sister in law both worked with Heather at Rosebud for a period of time. I always heard them talk about how sweet and wonderful she was. They said she was always positive and she was nice to everyone around her! Over this passed summer, I took my two year old to visit the Pre school and discuss options as far as childcare and Heather was the first person I met. I remember her specifically because she was so beautiful sitting at the front desk and she was just as beautiful and more on the inside! She answered all of my questions and gave me a tour of the center. I ended up not needing childcare services but at the time, I looked forward to seeing a beautiful face when I planned on taking my son to and from pre school every day. I'm incredibly sad and I'm praying for her family and children. She definitely made an impression on me and I know she's incredibly missed by everyone that knew her personally. I'm so sad for everyone going through this. You are all in my thoughts and prayers!

I just want to say that I am so sorry for your loss. I worked with Heather for a while at Kids Harbor. She always tried to lift others up and always always made us all laugh. She was a very special person and she loved her babies! She was a wonderful friend and an awesome Mother for Anslee and Eli. I will tell you that she impacted a lot of people with her smile and laugh and I will always remember her giving spirit. She touched many lives with her own. I pray that God gives you all peace and comfort during this time and for the days ahead. May God wrap his arms around each of you. God Bless.
