“ I will continue to pray for peace for your family. So difficult to make sense of a beautiful young life as Heather leaving this world. Only with much time passing will the hurt fade. Never to go away, but look to the stars and find the brightest in the sky. I believe stars are the holes of heaven and Heather isn't here on earth but is with you every minute and in your heart always. Till you see her again. God Bless you##imported-begin##Sandy Dutton Taylor##imported-end##

“ My heart is heavy with sorrow as I write this to you. I'm devastated to have lost such a caring, loving person. To this day I tell everyone how I carved my very 1st pumpkin ever with you :) and helped you with the Christmas decorations. You showed me a side of family I never had the chance to experience with my own, due to religious reasons. I love you dearly Heather and you will remain forever in my heart.

“ My heart aches for each of you as you face the road ahead without Heather. Please know that I hold each of you close in prayer and ask our Lord to bring the peace and comfort only He can. The homegoing o a child is a tough one but the Lord in His infinite grace and mercy will sustain you all, as He has those of us who have walked the road ahead of you. The Lord has promised to stay with us and His promises NEVER fail. May His peace surround each of you as our prayers are sent Heavenward.

With much love & prayers
