“ *She let me park my camper and project cars on her property when I was in a tough spot. She always had a good story and a cold beer in the fridge.  
She will be missed...*

“ *To Helen’s Family:  
I am very sorry for your loss. Helen was a very dear friend to me. She gave countless hours of support to me and the Dacula High School/ Dacula Middle School Bands, but our friendship didn’t end there. She also continued to attend my band concerts. We went on to share very funny and memorable trips and visits together. Helen and Myron will never leave my heart and I will have a smile on my face as I remember a great loving lady! Just know that Helen is in a better place and I will always be there for you.*

*Love,

“ *Helen was my two doors up neighbor for all of my growing up years. I was always welcome to be in the back yard playing with the boys. She was my first den mother. Growing up on Boulder Road was made better because of Helen and Myron Butler. I am so glad you had your Mom for all these years, but I know you will miss her greatly. My love and prayers to Mike, Bobby, Jerry and Beth and your families.*
