“ *Helen was one of the first people I got to know in training classes with the German Shepherd Dog Club of Atlanta back in the early 1980's. A few years later, i will never forget how much she loved a little female German Shepherd named, "Whisper". I feel sure that Helen has now been reunited not only with her beloved 'Whisper', but all of her German Shepherds and animals she held so dear in her lifetime.*  
*I'm thankful, that in her final days, we shared several visits filled with a few laughs and silliness that was typical Helen. Rest well, precious spirit, until we meet again.*

“ Helen loved animals & often would come to my home to visit with my two Cardigan Welsh Corgi's Jimmy & Gemma. My dogs loved Helen & would wait for her to come in & talk to them & give them a treat. We will miss Helen very much.
