“ I have been thinking of all the memories that I have shared with Helen and there have been so many great memories with her over the years. I thought I would share the most recent with her: Kristin had a ball game so I went and got Helen to take her to the game, she was so excited to go. GSU had two games that day and I also had my 81 year old mother with me, so I had to get her home, well Helen thought she would have to leave with me but I told her that Tabitha and Thomas were going to take her home. She was so happy and so enjoyed the day with us. I will so miss that sweet lady.

“ *The strongest memory I have of my cousin, Helen, is her beautiful piano playing. I remember her being on the stage at the Harbin Community House during the Brock reunion playing for everyone. I enjoyed it so much even as a child, that it made a lasting impression. My sister, Sheron, shared with me her memory of Helen, and it was one summer many years ago, she came to our house and spent two weeks with Sheron. It was a dear memory for her.*
