“ *When Helen moved to Florida, Kevin stott and I were fortunate enough to buy the house the she raised her family in, with out realizing it, she still lived there, she left lots of things behind in her move, in the last six years , everytime we needed even the most unusual item, it was there, we would smile and say, thank you helen*
❤️ *She kept an immaculate home, and beautiful garden, we always call it Helens garden, she wanted to know that we would keep it beautiful, and we will. Our home and our life there has been our greatest blessing, rest in peace dear Helen , we will never forget you*❤️
